

ASIAN INSPIRED CUISINE

Blue Bamboo Dim Sum

People often refer to dim sum as Asian tapas, ordering a variety of plates until you are full. Traditionally, an order of noodles signifies that you're almost full, but are not willing to give up just yet. It is a tradition to share dim sum. Dim sum items are served from our kitchen as they are ready. This year, we celebrate our 10th year of serving dim sum in Jacksonville. Enjoy!
